

#CLICKTOCARE Food Drive

(Encourage friends, family and neighbors near and far to participate in your food drive!)

Lazarus House must continue to feed our Guests in the new “Grab ‘n Go Groceries” format. We must comply with City regulations and work in a manner that keeps our Staff and Guests safe. We are serving up to 1100 families that come through our St. Martha’s Food Pantry each week – and we need your help. As you know, we rely on the many food drives you have generously managed in the past to provide food that supplements our supply. During this crisis, understandably, those have come to a halt as we know them. However, we still need to serve the increasing number of vulnerable Guests struggling with food insecurity who rely on us to feed their families.

YOU can make a huge difference for these families during Coronavirus!

HERE’S HOW YOU CAN HELP:

Rally your sphere of influence to support this COVID-19-safe way to support those in need – call, email, text, or use Social Media to get it going.
