OUR YEAR

The number of people coming to us for the basics of food, shelter, and clothing remains staggering. Yet, with God's faithfulness, your support and the dedication of our staff, we kept the Food Pantry and Soup Kitchen open throughout the pandemic and transformed our Shelter and Thrift Store to welcome Guests despite COVID. You are part of this miracle, and we are grateful beyond words for your generosity.

Blessings,

Jeff Hassel, Executive Director

HOLISTIC CARE FOR OUR GUESTS

FY2021 and the pandemic highlighted the need for a more holistic approach to caring for our cherished Guests. This beneficial care will continue long after COVID is in our rear view mirrors. Our resident families are experiencing joy and respite from the isolation of poverty by engaging in therapeutic activities. Some favorites are TaeKwonDo, art and music classes and group exercise. Family paint nights are also a huge hit! None of this happens without YOU.

OUR SERVICES

CORE MINISTRIES

Our Core Ministries work simultaneously to provide emergency care, holistic programming, hope for a good future, and life skills to gain independence and sustain self-sufficiency. The people we serve are our Guests – cherished, beloved, and treated with the utmost in respect, dignity, and care. We believe that every Guest deserves the chance to thrive.

SHELTER

MORE THAN A SAFE
PLACE TO SLEEP

For many in desperate need, the Lazarus House Shelter is both the last line of defense and the first ray of hope. Most people who come to us are at one of the lowest points in their lives and our welcome, respectful treatment, guidance and programming provide a safe place to rest, breathe and progress.

Lazarus House provides nutritious food through our 7-day a week Soup Kitchen, our weekly Food Pantry that provides supplemental groceries to over 1000 families, and through emergency food orders. We provide food to anyone who is hungry.

FOOD

MORE THAN A
HEALTHY MEAL

CLOTHING

MORE THAN A
PAIR OF PANTS

Our thrift store is a hub of activity – a community. We sell affordable items or give vouchers for free clothing and household goods to people in need. Every item in our stores is donated by individuals, groups, faith organizations, schools, and businesses.

With compassion, understanding and respect, we connect Guests to their potential by helping them explore opportunities, develop new habits, gain confidence, and learn new life skills. We do this through our highly skilled team of advocates/social workers who understand that each situation is unique and complex.

ADVOCACY

MORE THAN A
LISTENING EAR

COMMUNITY RESOURCES

MORE THAN
GREAT CONNECTIONS

With empathy, dignity, and a non-judgmental heart, we connect Guests to the services and resources they need and want to move forward. We partner with other agencies for whole person care, offer in-house services, practice shoulder-to-shoulder care and guidance navigating “the system” and provide much needed and expensive personal care items.
